

## Arkansas Academy of Computing Newsletter

December 13, 2021

David Douglas

Another year is coming to a close. I hope each and every one of you Happy Holidays, Merry Christmas, and Happy New Year.

Know that our donations for scholarships have made some young Computer Science students Holidays a little bit better.

Thank you for your support of Computer Science Education and your work advancing the art and science of automating the world. This group has improved lives for many many people.

Thank you ALL!

---

### In case you missed it

Video from the

Kids need scholarships today. Please help students study computer technology.

---

### Computing History

We are thinking of having a monthly or semi-monthly Computing History Zoom meeting. [Would you attend?](#)

Proposed topics might include:

- History of Computing at UA Fayetteville
- IBM in NW Arkansas in the 1960s
- Early Computers in Banks, or Retail or Agriculture or ...
- ArkNet
- GIS in Arkansas
